Brother Sturdy,

On behalf of the TriState of MD, DC and VA we respectfully submit the enclosed document for consideration by the Constitution Committee. This document represents a complete re-write of the AOH Constitution and is an exhaustive effort by the undersigned as well as five other states for the betterment of the document. *The enclosed document does not include the changes made to the Constitution at the most recent 2012 National Convention.*

This re-write was done to correct grammatical and spelling errors, provide proper structure and organization to the document, and to provide better clarity. While we feel that many of the items included in this re-write are better served in separate documents (Constitution, Bylaws, and a Policies and Procedures Manual) we submitted them under one Constitutional document to adhere to your direction of submitting changes to the Constitution only.

This document incorporates the suggested changes (highlighted in RED) that we would like to see in the Constitution as part of your Committee's effort. While you and the Committee may not agree with the particular changes we suggest, we ask that particular disagreements not disqualify the entire document based upon that opinion. While your direction for submission was for printed documents, we would be happy to provide the electronic copy of the enclosed document as a guide.

Sincerely,

Ralph Day – President, DC State Board

Tim Harvey – President, Maryland State Board

J. Charles Curran – President, Virginia State Board

Keith Carney – Past National Director

Kevin Dillon – Parliamentarian, DC State Board
